Institutional Best Practices at B.S.M. College

2019-2020

Best Practices 1: Regular Feedback Mechanism

B.S.M. College implements a structured feedback mechanism that collects input from students, faculty, and stakeholders. This feedback is analyzed to inform decision-making and improve academic and administrative practices.

Best Practices 2: Green Campus Initiatives

The college is committed to sustainability through various green initiatives, such as waste management, rainwater harvesting, and tree plantation drives. These practices promote environmental awareness and responsibility among the campus community.
